

# IT'S TIME TO "86" HARASSMENT.

86 Harassment is dedicated to promoting a safer and more respectful workplace environment in the beverage alcohol and hospitality industries.

Through training, education and confidential support, our goal is to create a community where everyone feels safe and valued in their workplace.

## #1

reason employees quit their job in 2021 was due to a toxic workplace culture.

## 10.4x

A toxic corporate culture is 10.4x more powerful than compensation in predicting a company's attrition rate.

Sources: MIT Sloan Management Review

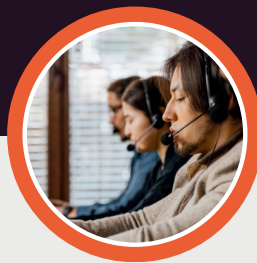

## 73%

of U.S. job seekers apply to a company only if its corporate culture aligns with their values.
